JR YLA Wrapping Up

The school year is ending and so is our first complete year of JR YLA. We were in Alexandria-Monroe Junior High and Anderson Preparatory Academy. May 1st was our last APA day, where students got to try the Lego challenge. We enjoyed getting to know the students and taking over their social studies classes once a month. Our very last JR YLA session of 22/23 school year will be in Alexandria 5/22, where the students will get to complete a service project for the community that they came up with as a class.

Have a great May!
